Independent Auditor's Report

To the Board of Directors Bethany Christian Services

Report on the Audits of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Bethany Christian Services and its subsidiaries (the "Organization"), which comprise the consolidated statement of financial position as of December 31, 2022 and 2021 and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2022 and 2021 and the changes in its net assets, functional expenses, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Consolidated Financial Statements* section of our report. We are required to be independent of the Organization and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audits of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

To the Board of Directors Bethany Christian Services

In performing audits in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial
 statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 24, 2023 on our consideration of Bethany Christian Services' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Bethany Christian Services' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Bethany Christian Services' internal control over financial reporting and compliance.

Alente i Moran, PLLC

December 31, 2022 and 2021

Note 1 - Nature of Business

Bethany Christian Services (the "Organization") is a not-for-profit corporation whose sources of revenue are derived principally from public contributions, government grants, and service fees. The Organization operates a child placement agency and provides such services as foster care, pregnancy counseling, adoptive services, and other related social services as may be appropriate in stabilizing and/or improving human relationships and conditions. Currently, these services are provided in 31 home offices in 29 states plus Washington, D.C., with the central business office located in Grand Rapids, Michigan. Approximately 91 and 81 percent of operating revenue in 2022 and 2021, respectively, was derived from services provided under contract with governmental units.

Note 2 - Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of the Organization and all of its wholly owned subsidiaries, which include all of the various branches and related legal entities, including Bethany Christian Services USA, LLC; Bethany Christian Services Global, LLC; and Bethany Christian Foundation, LLC. All material intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

The Organization prepares its consolidated financial statements on an accrual basis in accordance with generally accepted accounting principles (GAAP).

Cash Equivalents

The Organization considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents. Restricted cash includes amounts required to be held as collateral by third parties.

Concentration of Credit Risk Arising from Deposit Accounts

The Organization maintains cash balances at several banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000 and certain other federally managed programs. As of December 31, 2022 and 2021, the Organization had depository accounts with a financial institution in excess of federally insured limits.

Investments

Investments are stated at fair value, except for the investment in unconsolidated affiliate, which is recorded using the equity method. Gains or losses on investments are reported in the consolidated statement of activities and changes in net assets as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law.

Receivables

Receivables are stated at invoice amounts. An allowance for doubtful accounts is established based on a specific assessment of all invoices that remain unpaid following normal payment periods. In addition, a general valuation allowance is established for other accounts receivable based on historical loss experience. All amounts deemed uncollectible are charged against the allowance for doubtful accounts in the period that determination is made. The allowance was \$198,473 at December 31, 2022 and 2021.

December 31, 2022 and 2021

Note 2 - Significant Accounting Policies (Continued)

Property and Equipment

Property and equipment are recorded at cost when purchased or at fair value at the date of donation and are being depreciated on a straight-line basis over their estimated useful lives. Costs of maintenance and repairs are charged to expense when incurred. Estimated useful lives are 40 years for buildings, 20 years for land improvements (or the lease term, whichever is shorter), 10 years for furniture and fixtures, and 3 to 5 years for vehicles.

The Organization reports gifts of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of property and equipment with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire property and equipment are reported as restricted support.

Certain property and equipment were acquired with funds from grant contracts that include the option for the grantor to require reversion of title at the end of the grant contract. These assets are insignificant to the consolidated financial statements as a whole and were fully depreciated as of December 31, 2022 and 2021.

Leases

The Organization has operating leases described in Note 7. The Organization recognizes expense for operating leases on a straight-line basis over the lease term. The Organization made a policy election not to separate lease and nonlease components. Therefore, all payments are included in the calculation of the right-of-use asset and lease liability.

The Organization has operating leases for certain buildings, with a lease term of one year or less that the Organization has elected to account for as short-term leases. As these leases are short-term leases, they are not included in the right-of-use asset and lease liability.

The Organization assesses whether it is reasonably certain to exercise an option to extend or terminate a lease at the lease termination date. In this assessment, the Organization considers all relevant factors that create economic incentive to exercise such options, including asset, contract, market, and entity-based factors. The Organization did not include the renewal options to calculate the lease asset and liability.

When readily determinable, the Organization utilizes the interest rate implicit in the lease to determine the present value of future lease payments. For leases where the implicit rate is not readily determinable, the Organization's incremental borrowing rate is used.

Classification of Net Assets

Net assets of the Organization are classified based on the presence or absence of donor-imposed restrictions.

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions or for which the donor-imposed restrictions have expired or been fulfilled. Net assets in this category may be expended for any purpose in performing the primary objectives of the Organization.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where the donor has stipulated the funds be maintained in perpetuity.

Earnings, gains, and losses on donor-restricted net assets are classified as net assets without donor restrictions unless specifically restricted by the donor or by applicable state law.

December 31, 2022 and 2021

Note 2 - Significant Accounting Policies (Continued)

Contributions

Contributions of cash and other assets, including unconditional promises to give in the future, are reported as revenue when received, measured at fair value. Donor promises to give in the future are recorded at the present value of estimated future cash flows. Contributions resulting from split-interest agreements, measured at the time the agreements are entered, are based on the difference between the fair value of the assets received or promised and the present value of the obligation to the third-party recipient(s) under the contract.

Contributions without donor-imposed restrictions and contributions with donor-imposed time or purpose restrictions that are met in the period in which the contributions are received are both reported as contributions without donor restrictions.

Certain government grants are accounted for as conditional contributions, being nonexchange in nature. These grants are reported in the child support line on the consolidated statement of activities and changes in net assets and are recognized as revenue as qualifying expenses are incurred. The remaining conditional balance of these grants totaled \$31,280,575 and \$17,595,401 at December 31, 2022 and 2021, respectively.

Contributions receivable that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. An allowance for uncollectible contributions is provided when evidence indicates amounts promised by donors may not be collectible.

Paycheck Protection Program

During the year ended December 31, 2021, the Organization received a PPP loan in the amount of \$1.6 million. The PPP loan program was created under the Coronavirus Aid, Relief, and Economic Security (CARES) Act and is administered by the Small Business Administration (SBA). Under the terms of this program, the loan may be fully or partially forgiven if the loan proceeds are spent on qualifying expenses and if staffing level and salary maintenance requirements are met. The Organization may use the funds on qualifying expenses over a covered period up to 24 weeks. At the conclusion of the covered period, any balance that is not forgiven by the SBA will be repaid over a period of five years, with interest accruing at a rate of 1 percent and monthly payments of principal and interest beginning 10 months after the conclusion of the covered period.

Any request for forgiveness is subject to review and approval by the lender and the SBA, including review of qualifying expenditures and staffing and salary levels.

Under accounting principles generally accepted in the United States of America (U.S. GAAP), government grants, including certain forgivable government loans, are recognized as income in the period in which the Organization has substantially overcome all measurable performance-related barriers necessary to be entitled to keep the grant funds. As of December 31, 2021, the Organization has assessed that all requirements for forgiveness were achieved and, therefore, has recorded contribution revenue of approximately \$1.6 million, consistent with generally accepted accounting principles.

The Organization applied for and received notification from the SBA of forgiveness of the entire loan on August 24, 2021.

Grant Revenue

During 2022 and 2021, the Organization recognized revenue from exchange grant contracts of \$138,951,153 and \$103,952,541, respectively.

December 31, 2022 and 2021

Note 2 - Significant Accounting Policies (Continued)

Disaggregation of Revenue

Revenue received for grants determined to be exchange transactions is recognized as services are provided. Grant revenue is primarily received for child support and refugee services. These services may be transferred to granting agencies both at a point in time or over time. Of the \$138,951,153 and \$103,952,541 of revenue recognized from contracts with granting agencies during 2022 and 2021, respectively, revenue recognized over time amounted to \$136,632,042 and \$101,872,117, respectively, while the remainder was recognized at a point in time.

There are no significant economic factors that affect the nature, amount, timing, and uncertainty of the Organization's revenue and cash flows.

Contract Balances

In some situations, the Organization receives cash prior to the satisfaction of the performance obligation, which results in the Organization recognizing contract liabilities. Deferred revenue consists primarily of grant revenue received in advance of expenditures incurred.

For the years ended 2022 and 2021, the beginning balances of the Organization's receivables from exchange grant contracts were \$10,965,528 and \$7,286,807, respectively. The ending balances of the Organization's receivables from exchange grant contracts were \$8,411,851 and \$10,965,528, respectively.

Nature of Promises to Transfer and Timing of Satisfaction of Performance Obligations

The Organization's exchange grant services are performed both over time and at a point in time.

For foster care services, the Organization has a performance obligation for the placement and supervision of the child in the foster care home, which is recognized over time as services are performed using an output method of time elapsed to measure progress.

For refugee services, the Organization has a performance obligation to provide employment services to refugees, which is recognized over time using an input method of costs incurred.

For foster care adoption services, the Organization has performance obligations for the supervision of the child in the foster care home and the adoption placement of the child within the home. The supervision is recognized over time as services are performed using an output method of time elapsed to measure progress. The adoption placement is recognized at a point in time when the adoption is finalized.

In most cases, services that the Organization contracts to transfer to customers are performed by the Organization. In no case does the Organization act as an agent (i.e., the Organization does not provide a service of arranging for another party to transfer goods or services to the customer).

Significant Payment Terms

Payment for services provided by the Organization is typically due within 30 days after an invoice is sent to the granting agency. Invoices for services performed over time are typically sent to granting agencies on the last business day of each calendar month. Invoices for services performed at a point in time are typically sent to granting agencies within 3 calendar days of performance. None of the Organization's contracts have a significant financing component.

Allocating the Transaction Price

The transaction price of a contract is the amount of consideration to which the Organization expects to be entitled in exchange for transferring promised services to a granting agency.

December 31, 2022 and 2021

Note 2 - Significant Accounting Policies (Continued)

To determine the transaction price of a contract, the Organization considers its customary business practices and the terms of the contract. For the purpose of determining transaction prices, the Organization assumes that the services will be transferred to the granting agency as promised in accordance with existing contracts and that the contracts will not be canceled, renewed, or modified.

Most of the Organization's contracts with granting agencies have fixed transaction prices that are denominated in U.S. dollars and payable in cash. For some contracts, however, the amount of consideration to which the Organization will be entitled is variable. Under those contracts, some or all of the consideration for satisfied performance obligations is contingent on events over which the Organization has no direct influence. For example, foster care contracts contain per diem rates for administration and boarding, and foster care adoption contracts have a specific tiered rate system based on days in placement. Certain refugee service contracts are direct cost contracts in which the Organization will be reimbursed for direct costs incurred.

The Organization includes amounts of variable consideration in a contract's transaction price only to the extent that the Organization has a relatively high level of confidence that the amounts will not be subject to significant reversals, that is, downward adjustments to revenue recognized for satisfied performance obligations. In determining amounts of variable consideration to include in a contract's transaction price, the Organization relies on its experience and other evidence that supports its qualitative assessment of whether revenue would be subject to a significant reversal. The Organization considers all the facts and circumstances associated with both the risk of a revenue reversal arising from an uncertain future event and the magnitude of the reversal if that uncertain event were to occur.

To allocate an appropriate amount of consideration to each separate performance obligation, the Organization determines the stand-alone selling price at contract inception of the good or service underlying each separate performance obligation and allocates the transaction price on a relative standalone selling price basis. The stand-alone selling price is the price at which the Organization would sell a promised service separately to a granting agency.

Adoption Revenue

During 2022 and 2021, the Organization recognized revenue from adoption contracts of \$6,957,010 and \$8,562,495, respectively, which is recognized within service fees on the consolidated statement of activities and changes in net assets.

Disaggregation of Revenue

Prospective parents involved in the domestic infant and international adoption process are charged a fee for services, consisting of home study, placement of the child, and supervision during the post-placement probationary time period. The international adoption process also includes fees charged by the Organization for acting as a liaison with the international agency. These services may be transferred to prospective parents both at a point in time or over time. Of the \$6,957,010 and \$8,562,495 of revenue recognized from adoption contracts with prospective parents during 2022 and 2021, respectively, revenue recognized over time amounted to \$0 and \$1,678,703, respectively, while the remainder was recognized at a point in time.

There are no economic factors that significantly affect the nature, amount, timing, and uncertainty of the Organization's adoption revenue and cash flows.

December 31, 2022 and 2021

Note 2 - Significant Accounting Policies (Continued)

Contract Balances

In some situations, the Organization receives cash prior to the satisfaction of the performance obligation, which results in the Organization recognizing contract liabilities. Deferred revenue consists primarily of adoption fees billed to prospective parents and collected in advance of providing adoption services. The Organization's receivables from adoption contracts were \$783,356, \$728,948, and \$921,025 as of December 31, 2022; December 31, 2021; and January 1, 2021, respectively. Contract liabilities from adoption contracts were \$199,071, \$385,598, and \$1,448,219 as of December 31, 2022; December 31, 2021; and January 1, 2021, respectively.

Nature of Promises to Transfer and Timing of Satisfaction of Performance Obligations

The Organization's adoption services are performed both over time and at a point in time.

For adoption fee revenue, the Organization has the following performance obligations:

- Processing application Revenue recognized at a point in time upon completion of processing the application
- Processing paperwork and providing support and training Revenue recognized over time as services are performed using an output method of time elapsed to measure progress
- Performance of home study Revenue recognized over time as services are performed using an output method of time elapsed to measure progress
- Pursue referral Revenue recognized over time as services are performed using an output method of time elapsed to measure progress
- Placement of child Revenue recognized at a point in time upon placement of child
- Perform home assessment and satisfy legal requirements Revenue recognized over time as services are performed using an output method of time elapsed to measure progress

In most cases, services that the Organization contracts to transfer to prospective parents are performed by the Organization. In no case does the Organization act as an agent (i.e., the Organization does not provide a service of arranging for another party to transfer goods or services to the prospective parents).

Significant Payment Terms

Payment for services provided by the Organization is typically due upon posting of the charge to the prospective parents' account. Notices for services performed over time or for services performed at a point in time are posted to the prospective parents' account at the time they are assessed. The Organization does not offer discounts if the prospective parents pay some or all of an invoiced amount prior to the due date.

Allocating the Transaction Price

The transaction price of a contract is the amount of consideration to which the Organization expects to be entitled in exchange for transferring promised services to prospective parents.

To determine the transaction price of a contract, the Organization considers its customary business practices and the terms of the contract. For the purpose of determining transaction prices, the Organization assumes that the services will be transferred to the prospective parents as promised in accordance with existing contracts and that the contracts will not be canceled, renewed, or modified.

Most of the Organization's contracts with prospective parents have fixed transaction prices that are denominated in U.S. dollars and payable in cash. None of the Organization's contracts have a significant financing component.

December 31, 2022 and 2021

Note 2 - Significant Accounting Policies (Continued)

For some contracts, however, the amount of consideration to which the Organization will be entitled is variable. Under those contracts, some or all of the consideration for satisfied performance obligations is contingent on events over which the Organization has no direct influence. For example, the fees paid for the home study and placement may be partially or fully refundable depending on circumstances outside of the Organization's control. The Organization includes amounts of variable consideration in a contract's transaction price only to the extent that the Organization has a relatively high level of confidence that the amounts will not be subject to significant reversals, that is, downward adjustments to revenue recognized for satisfied performance obligations. In determining amounts of variable consideration to include in a contract's transaction price, the Organization relies on its experience and other evidence that supports its qualitative assessment of whether revenue would be subject to a significant reversal. The Organization considers all the facts and circumstances associated with both the risk of a revenue reversal arising from an uncertain future event and the magnitude of the reversal if that uncertain event were to occur.

To allocate an appropriate amount of consideration to each separate performance obligation, the Organization determines the stand-alone selling price at contract inception of the service underlying each separate performance obligation and allocates the transaction price on a relative stand-alone selling price basis. The stand-alone selling price is the price at which the Organization would sell a promised service separately to prospective parents.

Functional Allocation of Expenses

Costs of providing the program and support services have been reported on a functional basis in the consolidated statement of functional expenses. The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Salaries, wages, and associated employee benefits are allocated based on estimates of time and effort. Depreciation and occupancy expenses are allocated based on square footages. All other expenses are allocated based on direct identification and utilization. Costs have been allocated between the various program and support services based on estimates determined by management. Although the methods of allocation used are considered appropriate, other methods could be used that would produce different amounts.

Income Taxes

The Organization is a not-for-profit corporation and is exempt from tax under the provisions of Internal Revenue Code Section 501(c)(3).

Advertising Expense

Advertising expense is charged to income during the year in which it is incurred. Advertising expense for 2022 and 2021 was \$1,879,328 and \$1,706,104, respectively.

Contingencies

The Organization was self-insured for health, professional, and general liability insurances as of December 31, 2022 and 2021. For health insurance, the Organization has an individual stop-loss at the contract/employee level (\$250,000 in 2022 and 2021). The accrual for estimated health claims incurred but not reported was \$1,042,464 and \$865,497 at December 31, 2022 and 2021, respectively. Losses and claims are reported as fringe benefits in the consolidated statement of functional expenses totaling \$10,788,540 and \$10,678,875 for the years ended December 31, 2022 and 2021, respectively.

December 31, 2022 and 2021

Note 2 - Significant Accounting Policies (Continued)

For professional and general liability insurance, effective July 1, 2021 and retroactive to September 1, 2020, the Organization is self-insured up to \$3 million on a claims-made basis. In addition, effective July 1, 2021, the Organization has secured a \$7 million excess/umbrella policy for professional and general liability, including \$2 million in excess/umbrella coverage for sexual abuse and molestation. For 2022, the Organization maintained a \$3 million letter of credit and \$3 million portion of the line of credit designated for the letter of credit with the bank for the professional and general liability self-insurance plan. For 2021, the Organization maintained a \$3 million letter of credit and a \$3 million restricted cash deposit account with the bank for the professional and general liability self-insurance plan. The accrued liability for estimated professional and general liability claims was \$1,932,000 and \$750,000 at December 31, 2022 and 2021, respectively.

Risks and Uncertainties

The Organization invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the consolidated statement of financial position.

The Organization's child support revenue category is made up of approximately 55 and 49 percent of contracts with state and federal agencies for international refugee services as of December 31, 2022 and 2021, respectively.

Subsequent Events

The consolidated financial statements and related disclosures include evaluation of events up through and including March 24, 2023, which is the date the consolidated financial statements were available to be issued.

Note 3 - Liquidity and Availability of Resources

The following reflects the Organization's financial assets as of December 31, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the consolidated statement of financial position date:

		2022	 2021
Cash and cash equivalents Restricted cash Accounts receivable - Net Investments	\$	5,049,285 1,600,000 21,209,643 22,486,548	\$ 1,191,807 3,000,000 19,892,998 39,575,302
Financial assets - At year end		50,345,476	63,660,107
Less those unavailable for general expenditures within one year due to contractual or donor-imposed restrictions:			
Restricted by donor with time or purpose restrictions		1,933,321	967,565
Restricted by donors in perpetuity		258,219	237,041
Restricted for professional liability insurance		-	3,000,000
Restricted by Recourse Agreement		1,600,000	-
Less amounts unavailable to management without board approval -			
Board-designated endowments		12,996,147	22,651,146
Financial assets available to meet cash needs for general expenditures within one year	\$	33,557,789	\$ 36,804,355
	_	. ,	. ,

December 31, 2022 and 2021

Note 3 - Liquidity and Availability of Resources (Continued)

The Organization's endowment funds consist of donor-restricted endowments and board-designated quasi endowments. Income from donor-restricted endowments is not restricted for specific purposes and is available for general expenditure. As described in Note 11, the Organization applies a spending rate of 5 percent on its board-designated endowments; therefore, \$684,008 and \$1,192,166 of appropriations from the endowment will be available within the next 12 months as of December 31, 2022 and 2021, respectively. Although the Organization does not intend to spend from its quasi endowment other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation process, amounts from its quasi endowment could be made available if necessary.

The Organization's cash flows have seasonal variations during the year attributable to service reimbursement from various governmental entities and a concentration of approximately 40 percent of contributions received in the fourth quarter. The Organization maintains a line of credit that can be drawn upon, as further described in Note 8, to manage liquidity needs.

Note 4 - Investments

The details of the Organization's investments at December 31 are as follows:

	 2022	2021
Mutual funds Pooled funds Exchange-traded funds	\$ 10,397,805 \$ 167,610 11,921,133	\$ 18,177,091 217,979 21,180,232
Subtotal	22,486,548	39,575,302
Investment in unconsolidated affiliate	 483,318	507,190
Total	\$ 22,969,866	\$ 40,082,492
Investment (loss) income consists of the following:		
	 2022	2021
Interest and dividends Realized and unrealized (losses) gains	\$ 856,079 (5,806,134)	5 1,037,041 3,309,665
Total	\$ (4,950,055)	4,346,706

During 2005, the Organization purchased a 40 percent minority interest in a limited liability company for \$802,060. This investment in the unconsolidated affiliate is accounted for using the equity method of accounting. The Organization recognized (loss) income of approximately \$(24,000) and \$45,000 for the years ended December 31, 2022 and 2021, respectively, and received a distribution of \$50,000 for the year ended December 31, 2021. There were no distributions for the year ended December 31, 2022. The Organization is the sole tenant of the real estate limited liability company and has incurred lease expenses of \$195,966 in 2022 and \$191,196 in 2021 related to an operating lease entered into in conjunction with the investment.

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

Note 5 - Property and Equipment

Property and equipment are summarized as follows:

	 2022	2021
Land Land improvements Buildings and improvements Transportation equipment Furniture and fixtures Construction in progress	\$ 1,315,815 \$ 1,454,373 30,836,238 1,016,350 9,723,105 144,981	1,310,815 1,454,373 27,941,754 973,835 9,118,498 2,077,361
Total cost	44,490,862	42,876,636
Accumulated depreciation	 18,435,708	17,274,952
Net property and equipment	\$ 26,055,154 \$	25,601,684

Depreciation expense for 2022 and 2021 was \$2,105,883 and \$1,765,689, respectively.

Note 6 - Annuities Payable

The Organization sponsors a program in which donors may transfer assets to the Organization for the right to receive a predetermined return during their lifetimes (an annuity). Based upon the terms of each annuity agreement, the Organization determines its liability under the agreement using the estimated present value of future payments to the annuitant. Such future payments are determined utilizing the life expectancy of the annuitant (based on Annuity 2012 Table for males and females) and the interest rate (discount rate), the applicable federal midterm rate for U.S. Treasury bills, in effect at the time of the gift. At December 31, 2022 and 2021, the Organization recorded \$166,402 and \$187,557, respectively, in annuities payable relating to such program.

Note 7 - Leases

The Organization is obligated under operating leases primarily for buildings, vehicles, and copiers, expiring at various dates through 2028. The right-of-use asset and related lease liability have been calculated using a discount rate of 4 percent, which is the Organization's incremental borrowing rate. The rate implicit in the Organization's leases is not readily available. The leases require the Organization to pay taxes, insurance, utilities, and maintenance costs. Total lease expense under these leases was \$5,694,954 and \$4,876,077 for the years ended December 31, 2022 and 2021, respectively.

Included in lease expense are variable lease payments totaling \$163,886 and \$168,051 for the years ended December 31, 2022 and 2021, respectively, which are dependent on certain operating activities.

Lease expense for operating leases includes \$219,939 and \$202,518 related to leases classified as short-term leases during the years ended December 31, 2022 and 2021, respectively.

December 31, 2022 and 2021

Note 7 - Leases (Continued)

Future minimum annual commitments under these operating leases are as follows:

Years Ending December 31	Amount
2023 2024 2025 2026 2027 Thereafter	\$ 4,917,091 3,034,000 1,757,238 814,588 512,937 36,802
Total	11,072,656
Less amount representing interest	1,181,505
Present value of net minimum lease payments	9,891,151
Less current obligations	4,318,434
Long-term obligations under operating leases	\$ 5,572,717

As of December 31, 2022 and 2021, the weighted-average remaining lease term for all operating leases is 2.88 and 3.18 years, respectively. The weighted-average discount rate associated with operating leases as of December 31, 2022 and 2021 is 5.50 and 4.00 percent, respectively.

Note 8 - Long-term Debt and Line of Credit

The Organization has a \$11,000,000 and \$8,000,000 line of credit from a bank at December 31, 2022 and 2021, respectively. There were no outstanding borrowings at December 31, 2022 and \$5,750,000 of outstanding borrowings at December 31, 2021. The line of credit bears interest at the Secured Overnight Financing Rate (SOFR) plus 1.80 percent, subject to a 3.00 percent floor (an effective rate of 6.10 percent at December 31, 2022). As of December 31, 2021, the line of credit bore interest at the London Interbank Offered rate plus 1.75 percent, subject to a 3.00 percent floor (an effective rate of 3.00 percent at December 31, 2021). The line of credit is collateralized by the Organization's brokerage accounts and expires on July 1, 2023.

As of December 31, 2022 and 2021, the Organization had outstanding notes payable as follows:

<u> </u>	2022	2021
Barnabas Foundation note payable with principal payable upon the termination of the loan and interest due quarterly. Interest is at a fixed rate of 3.00 percent as of December 31, 2022 and 2021. The loan originally matured in June 2022; was extended to June 21, 2024; and is unsecured	\$ 1,500,000	\$ 1,500,000
Grand Rapids building (670 Burton) promissory note payable in monthly principal installments of \$28,000, including interest at a fixed rate of 4.77 percent. The loan matures on January 25, 2026 and is collateralized by the property	3,936,765	4,078,631

December 31, 2022 and 2021

Note 8 - Long-term Debt and Line of Credit (Continued)

-	2022	2021
Grand Rapids building (660 Burton) promissory note payable in monthly principal installments of \$6,055, including interest at a fixed rate of 3.93 percent. The loan matures on December 19, 2026 and is collateralized by the property	895,738	\$ 931,920
Kalamazoo building (Seeco Dr.) promissory note payable in monthly principal installments of \$4,930, including interest at a fixed rate of 3.64 percent. The loan matures on August 20, 2026 and is collateralized by the property	733,325	764,788
Kalamazoo building (KL Ave.) promissory note payable with available borrowings up to \$3,000,000 due in monthly principal installments of \$17,090 beginning on May 30, 2022, including interest at a fixed rate of 3.25 percent. The loan matures on April 30, 2028 and is collateralized by the Organization's Holland real estate (James St.)	2,928,682	2,000,000
Term loan payable in monthly principal installments of \$57,350 plus interest at LIBOR plus 1.75 percent (an effective rate of 6.14 and 1.85 percent at December 31, 2022 and 2021, respectively). The loan matures on February 29, 2023 and is unsecured	424,021	1,089,060
Federal Home Loan Bank Affordable Housing Program notes payable, received to assist in the building of low-income housing units. This loan has no repayment requirements, no interest, and will be forgiven at the end of the 15-year compliance period if the related projects are operated in compliance with the grant terms. The loan is expected to be forgiven on August 27, 2034. The loan is secured by the housing units associated with the loan	750,000	750,000
Federal Home Loan Bank Affordable Housing Program notes payable, received to assist in the building of low-income housing units. This loan has no repayment requirements, no interest, and will be forgiven at the end of the 15-year compliance period if the related projects are operated in compliance with the grant terms. The loan is expected to be forgiven on March 27, 2028. The loan is secured by the housing units associated with the loan	720,000	720,000
Total	11,888,531	11,834,399
Less current portion	8,918,531	2,451,430
Long-term portion \$	2,970,000	\$ 9,382,969

The balance of the above debt matures as follows:

 Amount
\$ 8,918,531 1,500,000 - - - 1,470,000
\$ 11,888,531
\$

Interest expense for the line of credit and long-term debt totaled \$529,715 and \$356,766 for 2022 and 2021, respectively.

December 31, 2022 and 2021

Note 8 - Long-term Debt and Line of Credit (Continued)

The Organization is required to meet quarterly debt covenants that include liquidity requirements in relation to the term loans payable and line of credit.

At December 31, 2022, the Organization was in violation of the unencumbered liquid assets to indebtedness covenant. Under the terms of the agreement, the bank may call the loan if the Organization is in violation of any restrictive covenant. The bank has waived the violation as of and for the year ended December 31, 2022. As of March 24, 2023, the bank has not waived the covenant requirement for the year ending December 31, 2023, and, accordingly, the entire amount of the notes, \$8,918,531, has been included in current liabilities.

Note 9 - Employee Benefit Plan

The Organization has a 403(b) retirement plan. Under the plan, employees can elect to defer up to 85 percent of their annual compensation up to the maximum dollar amount determined by the Internal Revenue Code.

The Organization provides a discretionary match for eligible employee contributions in an amount equal to 100 percent of elective deferral contributions according to the following schedule:

	Limit on Contributions
Years of Service	Matched
Less than 2	No matching
	contribution
2-4	4 percent
5-9	6 percent
10 or more	8 percent

In addition, the Organization can make a discretionary contribution up to 2 percent of salary for each participant employed at the end of the year, with at least two years of service, and who has worked at least 1,000 hours during the year. The discretionary contribution was not made in 2022 or 2021.

The Organization made contributions of \$2,264,885 and \$2,148,429 to the plan for the years ended December 31, 2022 and 2021, respectively.

Note 10 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the consolidated financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

The following tables present information about the Organization's assets measured at fair value on a recurring basis at December 31, 2022 and 2021 and the valuation techniques used by the Organization to determine those fair values.

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Organization has the ability to access.

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets and other inputs, such as interest rates and yield curves, that are observable at commonly quoted intervals.

December 31, 2022 and 2021

Note 10 - Fair Value Measurements (Continued)

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances where inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Organization's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The fair value of pooled funds at December 31, 2022 and 2021 was determined primarily based on Level 2 inputs. The Organization estimates the fair value of these investments using quoted prices for similar assets in active markets and other inputs, such as interest rates and yield curves.

Note 11 - Donor-restricted and Board-designated Endowments

The Organization's endowment includes both donor-restricted endowment funds and funds designated by the board of directors to function as endowments. Net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

Note 11 - Donor-restricted and Board-designated Endowments (Continued)

Interpretation of Relevant Law

The Organization is subject to the Uniform Prudent Management of Institutional Funds Act (UPMIFA) and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the board of directors appropriates such amounts for expenditures. Most of those net assets are also subject to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions. The board of directors of the Organization had interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Organization considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Organization has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purpose of the Organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization
- The investment policies of the Organization

Note 11 - Donor-restricted and Board-designated Endowments (Continued)

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period, as well as board-designated funds. Under this policy, as approved by the board of directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results while assuming a moderate level of investment risk. The Organization expects its endowment funds, over time, to provide an average rate of return of approximately 8 percent annually. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Organization has a policy of appropriating for distribution each year 5 percent of its endowment fund's average fair value over the prior eight quarters through the calendar year end preceding the fiscal year in which the distribution is planned. In establishing this policy, the Organization considered the long-term expected rate of return on its endowment. Accordingly, over the long term, the Organization expects the current spending policy to allow its endowment to grow an average of 3 percent annually. The Organization has a policy that permits spending from underwater endowment funds depending on the degree to which the fund is underwater, unless otherwise precluded by donor intent or relevant laws and regulations.

Notes to Consolidated Financial Statements

December 31, 2022 and 2021

Note 12 - Net Assets

Net assets with donor restrictions as of December 31 are available for the following purposes:

Independent Auditor's Report on Additional Information

To the Board of Directors Bethany Christian Services

We have audited the consolidated financial statements of Bethany Christian Services and its subsidiaries as of and for the year ended December 31, 2022 and have issued our report thereon dated March 24, 2023, which contained an unmodified opinion on those consolidated financial statements. Our audit was performed for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position and activities and the St. Louis and St. Charles and the Boone schedules of project unit cost are presented for the purpose of additional analysis rather than to present the financial position, changes in net assets, and cash flows of the individual entities and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance; Schedule of Federal, State, and Local Awards for the City of Philadelphia Required by the City of Philadelphia Subrecipient Audit Guide; and Reconciliation of Support Received from Delaware County Department of Human Services Required by Delaware County Department of Human Resources Audit Guide

Independent Auditor's Report

To the Board of Directors Bethany Christian Services

We have audited the consolidated financial statements of Bethany Christian Services and its subsidiaries as of and for the year ended December 31, 2022 and have issued our report thereon dated March 24, 2023, which contained an unmodified opinion on those consolidated financial statements. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. We have not performed any procedures with respect to the audited consolidated financial statements subsequent to March 24, 2023.

The accompanying schedule of expenditures of federal awards; schedule of federal, state, and local awards for the City of Philadelphia; and reconciliation of support received from Delaware County Department of Human Services are presented for the purpose of additional analysis, as required by the Uniform Guidance, the City of Philadelphia Subrecipient Audit Guide, and the Delaware County Department of Human Resources Audit Guide, respectively, and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards; schedule of federal, state, and local awards for the City of Philadelphia; and reconciliation of support received from Delaware County Department of Human Services are fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Independent Auditor's Report

To Management and the Board of Directors Bethany Christian Services

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Bethany Christian Services and its subsidiaries (the "Organization"), which comprise the consolidated statement of financial position as of December 31, 2022 and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements and have issued our report thereon dated March 24, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

To Management and the Board of Directors Bethany Christian Services

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

March 24, 2023

Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance

Independent Auditor's Report

To the Board of Directors Bethany Christian Services

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Bethany Christian Services' (the "Organization") compliance with the types of compliance requirements identified as subject to audit in the Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2022. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of the major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the *Auditor's Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

To the Board of Directors Bethany Christian Services

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards

Year Ended December 31, 2022

Note 1 - Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Bethany Christian Services and its subsidiaries (the "Organization") under programs of the federal government for the year ended December 31, 2022. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, functional expenses, or cash flows of the Organization.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported in the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The pass-through entity identifying numbers are presented where available.

The Organization has elected not to use the 10 percent *de minimis* indirect cost rate to recover indirect costs, as allowed under the Uniform Guidance. The Organization uses a negotiated rate through the U.S. Department of Health and Human Services.

Note 3 - Commingled Assistance

Expenditures reported in the Schedule within Foster Care Title IV-E passed through various counties in Pennsylvania include federal and nonfederal expenditures. An allocation was not provided by the granting agencies for the year ended December 31, 2022.

Allegheny County	\$ 149,270
